Our Enchanted Moments Package offers a truly special and memorable experience, setting us apart from traditional farm venues. At our farm, guests aren't confined to a single space or two; instead, they journey through multiple unique seasonally themed environments, each offering its own charm and ambiance. From the rustic themed social hour to engaging animal encounters where you can snap pictures with micro- and mini-Highland cows, alpacas, mini goats Baroque donkeys, and other friendly heritage farm animals, the day unfolds seamlessly.

The gathering continues with a picturesque program under mature trees, optionally followed by dining and lounging in additional areas guests can utilize—from a chic poolside gathering to a shaded banquet area surrounded by nature, all against the backdrop of stunning panoramic views. EVENT & FARM VENUE TERMS

Cancellation Policy: Cancellations must be communicated in writing. If cancellation occurs at any point, the retainer shall be forfeited as a cancellation fee due to inconvenience and event-related expenses to Provider and contracted Vendors.

Use of Premises: The Client shall use the Venue exclusively for the event specified herein and within the agreed-upon time frame, including setup and cleanup periods.

Food Service & Leftover Policy

For health and safety compliance, and in accordance with food handling and liability regulations, all food provided through any banquet, buffet, or catering add-on must be consumed on-site during the reserved event time only. No food or drinks may be removed, packaged to-go, or taken off the premises, regardless of guest attendance or remaining quantities.

***Neighborhood Policy:* Every visitor to Howe Ranch must commit to the Zero Impact on the Neighborhood & City Policy. The private road leading to the farm venue is subject to constant monitoring and regulatory scrutiny. All guests and service providers must adhere to arrival directions (provided separately), and a 15-mph speed limit while on the access roads. Nobody is allowed to park on the private street or on a neighboring farm's property. Failure to comply with the speed limit and/or parking policy is a serious violation that will lead to the immediate shutdown of the event. ***

Waiver and Conduct Guidelines: It is the Client's responsibility to ensure that every visitor in the Client's group acknowledges the Howe Ranch waiver (thehoweranch.com), and the Arrival & Safety Notice. It is the Client's responsibility to enforce conduct guidelines, leave all spaces the way they were at arrival, disposing of trash, and watch all children in the Client's group throughout the entire time of the booking to prevent event shut down.

Guests must not feed any livestock unless an animal encounter is specifically included in the Client's booking and is *supervised*. During these encounters, guests will receive the appropriate feed for the animals. It is particularly important to avoid feeding the donkeys, as improper feeding can cause choking and potentially lead to death. Additionally, feeding goats with chicken feed or other inappropriate food can be fatal. For the safety of both guests and animals, guests must not touch or interact with any animals unsupervised.

Liability and Insurance: The Client shall indemnify and hold harmless the Owner from any damages, claims, or legal actions arising from any injury or damages occurring during the event. The Provider confirms coverage of $1 million in liability insurance and $1 million in personal injury insurance. **It is the Client's responsibility to secure appropriate insurance coverage for the event, including vendors contracted by Client.**

Damage to the Venue: The Client assumes all responsibility for damages to the Venue caused during the visit period, including but not limited to the actions of their guests.

Personalization of Event Space: Décor, Vendor and Food Policy: Clients may bring their own decorations, subject to prior approval to ensure compliance with our safety and venue care standards. Details of all such items must be submitted for approval at least 14 days before the event. Setup and teardown must fit within the event schedule. All décor must be removed off property by Client prior to event closure (only consumables waste is managed by provider). *If Client leaves any décor/recycle/packaging waste behind, Client agrees to pay a minimum $150 waste management fine.*

Compliance with Laws: The Client agrees to abide by all applicable laws, regulations, and ordinances, including speed limit, noise levels and capacity limits. Reminder: The property is on a private, rural street. Guests must not drive faster than 15-mph as posted. Guests must not park on the street. Howe Ranch guests commit to zero impact on our neighborhood.

***Arrival Guidelines - No Early Arrivals**

EARLY ARRIVALS STRICTLY PROHIBITED: Guests must not arrive before the visit start time. Entry is strictly prohibited before your scheduled time slot due to farm liability management guidelines, which includes moving animals across the parking access area. Early arrivals disrupt operations, compromise safety while moving animals, and will not be accommodated. You will not miss anything by arriving after your scheduled time. We recommend Montage Brothers and Starbucks coffee houses down the street if you arrive in the area early.

PRIVATE ROAD LAWS: Stopping or staging on the private farm road is strictly prohibited. Strict 15 MPH speed limit on the monitored, unpaved street leading to Howe Ranch as posted— speeding will result in loss of your visit.

Animal Interactions & Safety

NO DOGS: For the safety of our animals and guests, our farm cannot accommodate dogs. Most of our animals are prey species, their reactions would make the encounter unsafe for all, and we have trained livestock guardians to protect from unknown canines on site.

SAFETY: Sunscreen, hat, and closed-toed shoes. Important: Bring water for hydration.

SUPERVISED ONLY: For your safety and the safety of our animals, do not approach any animals until staff has reviewed safety guidelines with you and is present. **Children must be supervised by your group at all time.**

If you arrive and do not see a staff member immediately, please call or text (424) 219-4212 and remain in your vehicle. We might be assisting other guests or preparing animals for your experience.

Transferable Only — No Refunds or Reschedules

The moment your experience is booked, resources are reserved and your time slot is blocked from other visitors. Booked experiences are transferable to other guests in your network, but not refundable, and cannot be rescheduled. Because our team is fully dedicated to caring for the animals and hosting scheduled guests, requests for exceptions cannot be accommodated and will not receive a response. If you transfer your experience, we must receive the guest's name prior to arrival.
