Private Winter Wonderland Celebrations

GUEST INFORMATION & FREQUENTLY ASKED QUESTIONS

PRIVATE GRAND HALL • ALL-INCLUSIVE HOLIDAY EXPERIENCE • FIXED PACKAGE PRICING

What does my private celebration reservation include?

Your fixed-price package includes exclusive private use of our decorated Grand Hall during your reserved celebration, access to the included Winter Wonderland areas and activities, friendly farm animal encounters, a festive food presentation, holiday beverage stations, scavenger hunt and prizes, a holiday craft souvenir, photo opportunities, and Howe Ranch hosting and coordination. Optional specialty enhancements are priced separately.

Are package prices negotiable?

No. Our private celebration packages are offered at established, fixed rates based on your guest-count category. They reflect private venue use, preparation, staffing, coordination, and the complete experience. Our farm team cannot offer alternate pricing by phone, message, or in person.

Can we lower the price by removing food, activities, or animal encounters?

No. Included refreshments, experiences, activities, and traditional hospitality touches are part of the complete private celebration package. Declining any inclusion, requesting fewer activities, or choosing not to use a portion of the venue does not change the package price.

What if our group is smaller than the package allows?

You are welcome to celebrate with fewer guests. Package rates do not change based on unused guest capacity. The Intimate Celebration package covers groups of up to 49 guests, the Grand package covers 50–89, and the Signature package covers 90–120.

Who counts toward our guest total?

All attendees age 1 and older count as guests, including children and nonparticipating adults, because every attendee is included in our occupancy, staffing, and farm-safety planning. Infants younger than 12 months do not count toward the package guest total.

How long is our private celebration?

Celebrations for groups of up to 49 guests include three hours; celebrations for groups of 50–120 guests include four hours. Arrival, departure, and any personal setup must fit within your reserved period unless extra time has been approved and purchased in advance.

Can we arrive early to set up or stay later?

Early access and time beyond the reserved window are not included. For safety, occupancy, and scheduling reasons, additional venue time is available only by prior arrangement, subject to availability and an additional charge. Please do not arrive before your approved start time.

When can private celebrations be booked?

Private celebrations are offered on available weekdays and select Saturdays in December and January. Sundays reserved for our scheduled Winter Wonderland events are not available for private buyouts. Dates and times are subject to availability and are not held without a confirmed reservation.

What food and beverages are provided?

A festive sweet-and-savory presentation is included, with the option to request an all-sweet or all-savory arrangement for your entire party. Holiday beverage stations feature seasonal favorites, with festive fixings. Offerings and quantities are arranged for the package and group size, rather than ordered individually.

Can you accommodate vegetarian guests or other dietary needs?

Vegetarian selections can be included with advance notice. Please share dietary restrictions before booking so we can explain what accommodations may be possible. We cannot guarantee an allergen-free preparation environment.

Are Santa, specialty characters, workshops, and professional photo coverage included?

These are optional enhancements unless expressly listed as included in your chosen package. Standard photo opportunities and the included holiday craft souvenir are part of the celebration; premium workshops, character appearances, and photo/video coverage are booked separately.

Can we bring our own decorations, catering, or vendors?

Please request approval before arranging any outside decorations, vendors, food, or equipment. All deliveries, setup, cleanup, and vendor access must follow our farm safety guidelines and remain within the approved event period or separately booked time.

Are the animals part of every celebration?

Yes. All packages include supervised interactions with farm animals, subject to animal welfare, weather, and safety conditions. Guest interaction is guided by ranch staff, and specific animals or individual handling opportunities cannot be guaranteed.

Can we book a wedding, elopement, reception, or vow renewal through this package?

No. Wedding-related celebrations—including ceremonies, receptions, elopements, and vow renewals—must be arranged through our separate wedding program, not through Private Winter Wonderland Celebration packages.

What are the cancellation and reservation terms?

Reservations are nonrefundable and dates cannot be changed. Transfers may be considered under the ranch's published reservation terms. Please review all booking terms, guest waivers, and applicable agreements before submitting payment.

How do we get answers or reserve our date?

Please review the package description, enhancement sheet, and these FAQs before reaching out. When ready, submit your preferred date, estimated total guest count, and any requested enhancements through the booking process at thehoweranch.com. This helps our small family farm respond efficiently while caring for our animals and hosting scheduled guests.

We look forward to welcoming your guests for a wonderfully memorable private holiday celebration!
